Hi everyone,

Please see two documents attached that we have prepared for your review and feedback in advance of this Thursday's meeting with District leadership regarding potential charter community support for the upcoming parcel tax.

We ask you do the following before the end of the day tomorrow:

1. Review the attached draft agenda.
2. Review the attached parcel tax overview document, which was shared with the LAAC for approval.
3. Reply tomorrow to the group with any thoughts, comments, or feedback on the agenda.
4. Reply tomorrow to this group indicating which portions of the agenda you would like to facilitate.

We will compile this feedback to create a final agenda for Thursday's meeting. We will be working tomorrow to finalize meeting logistics and will update the calendar invite with the room number at Beaudry as soon as we have it.

Jason and I will work together to support on this tomorrow.

Thanks so much!

Cassy
